## Warrior Care Initiative

At a 24 October luncheon, nine members of the recently chartered MCA Kingdom of the Sun Chapter agreed to the following statement and provision of contact information to military families and officials in Marion County, FL.

*I am willing for my name and telephone number to be given out to families of deployed military members when it is believed that someone with military experience, such as a chaplain, will be able to give comfort to and/or help the family members get needed assistance.*
